DONATE A LOG

The logs are the foundation of our building and are visually observed in every room. For almost 40 years we proudly display our generous contributors on the walls of our non profit facility!

A donation to The Aerobic Center is a thoughtful way to honor or celebrate someone whose life has been impacted by a program, instructor, trainer, etc. We are a nonprofit organization 501c-3, so your donation is tax deductible. Thank you for you continued support!

Please purchase a log and support The Aerobic Center. Complete the form below and return it with your check payable to:

**The Aerobic Center
